

Demonstration Tissue Culture Laboratory - Pacific Northwest Propagation and Conservation Research

Activity Log Report

Generated on October 5, 2026

1 activities included · latest 500 maximum

Date	Action	Category	Vessel	User	Notes
Oct 5, 2026, 10:45 AM	subculture health check completed	quality_assurance	A001-LONG-VESSEL-BARCODE	Alexandria Demonstration Research Technician	LONGNOTE_START NOTE001 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE002 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE003 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE004 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE005 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE006 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE007 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE008 Extended handover observations for this culture, with
Oct 5, 2026, 10:45 AM	subculture health check completed	quality_assurance	A001-LONG-VESSEL-BARCODE	Alexandria Demonstration Research Technician	(continued) preserved operational context and review instructions. NOTE009 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE010 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE011 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE012 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE013 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE014 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE015 Extended handover observations for this culture, with preserved operational context and review instructions. NOTE016 Extended handover
